CASE STUDY EXAMPLE

Client	The Porterhouse Brewing Company (www.porterhousebrewco.com)
Client Overview	<p>The Porterhouse Brewing Company is a chain of six bars in Bray and Dublin in Ireland, London and New York.</p> <p>Founded in 1989, the company also regularly hosts beer festivals.</p>
Testimonial	<p><i>“I ordered this product from Lignum Interiors as in my line of business I felt it would be very beneficial. It can be easily stored when not in use and is certainly fit for purpose when opened up and in place. It provides extra bar space for inside and outside venues.</i></p> <p><i>I have worked with Lignum Interiors on a number of occasions and value their professionalism and standard of work. I know this product will work extremely well for me.”</i></p> <p>Oliver Hughes, CEO, The Porterhouse Brewing Company</p>
